

## Dear Friends,

Welcome to the 77th season of our fabulous concert series, which is particularly exciting as we return to the long-awaited, but spectacularly refurbished Memorial Hall for all our concerts this season. I'm delighted to report that, once again, there will be no increase in ticket prices, and I hope you agree that, given the tantalising line-up of artists for the season ahead, we continue to offer terrific value for money.

One of the features of the 'new' Memorial Hall is the additional entry points to the building, and it will take a little time to decide upon the best course of action for audience arrival. For this season, could I therefore please request that audience requiring to collect tickets on the door continue to use the west lobby and audience members who already have a ticket in hand can use any of the new entry points around the hall, except the east lobby.

A gentle reminder that the five concert £70 package continues to offer the very best value for money. In addition, may I also draw your attention to a new gift voucher initiative - please call the Box Office for further details.

Mionetto prosecco will continue to be offered on arrival and I'm most grateful to them and our other lead sponsor, The Merriman Partnership, for their continued support of the series. I should also like to acknowledge all the sponsors as listed in our brochure. I very much look forward to seeing you all for what I hope will be a truly inspiring and uplifting series.

**Enjoy the music,**
