How was it for you?

This season, we are inviting audience reviews for all of our performances.

So, do tell us about your MCCS concert experience so far this season and some of your highlights could feature in our newsletter editions.

Write to us about your peak musical moments. And of course, it's not only about the music, it's about the total experience ... the ambience, the anticipation, the excitement, and the sense of being present. So, do share what stands out as most memorable for you.

Send your review to:

Southbank Sinfonia

~

Tchaikovsky:

Piano Concerto No. 1

Symphony No. 6

This is the Cory Band! *Sunday 14 January 2024 3pm*

MCCS is looking forward to the New Year when we welcome Cory Band to our glorious Memorial Hall. Cory Band is one of the oldest and best known brass bands in the world, formed in 1884 in the Rhondda Valley, Wales. Cory is proud to have won many brass and competitions over the years and continues to compete at the very highest level, winning an unprecedented Grand Slam of the four 'majors' in 2016 to complete a full ten years as the number one ranked brass band in the world.

Proud of its roots, this ensemble also dares to step out of the traditional brass band genre to deliver a tantalising mixture of both blockbusting and beautiful music that amazes and captivates its audiences wherever it performs. Performances are wonderfully entertaining and offer music that everyone can enjoy. Don't miss a fantastic opportunity to discover:

The brass band sound that is breaking new ground.

DOORS OPEN AT 2.15pm
